

Brittan Vineyards

2017 CHARDONNAY

Winemaker Robert Brittan, a wine industry veteran with 45 harvests under his belt, has always had a passion for Chardonnay; a love affair that began in the 80's when he made several vintages under his Britt Hill label with fruit from Carneros. In 2004, Robert decided to leave Stags' Leap Winery in Napa and start a Pinot noir project in the cool climate of the North Willamette Valley.

VINEYARD NOTES

The Brittan Vineyard lies just 12 miles southwest of McMinnville, tucked into the foothills of the Coastal Range. The original 18 acres were planted in 2001, but due to the challenging nature of this site and limited topsoil, only eight acres survived. Since 2004 when Robert and Ellen purchased the vineyard, it has been an ongoing rehabilitation project: replanting, retraining, and learning the unique landscape that has become Brittan Vineyard.

VINTAGE NOTES

Akin to the prior three vintages, 2017 provided a consistently warm growing season for the vines at our estate vineyard, resulting in generous (for us) average yields approaching two tons per acre. Springtime flowering and fruit set, while delayed by a cool and wet winter, were even across the blocks and dry conditions at harvest meant little to no pressure from disease. The resulting wines are full bodied yet retain the mineral notes and taut core of acidity that have become the hallmarks of Brittan Vineyards.

TASTING NOTES

Our 2017 Chardonnay is the second vintage sourced exclusively from the McMinnville AVA. Tension and textural complexity complement aromas of flint, delicate white flower, and white peach. The palate follows with hints of stone fruit (think apricot), lemon custard and a kiss of creamy oak.
